

SYNERGISTIC ACTIVITIES

Prof. R. A. Borrelli
University of Idaho · Idaho Falls Center for Higher Education
Nuclear Engineering & Industrial Management
rborrelli@uidaho.edu · @TheDoctorRAB

- (1) **National leadership:** Prof. Borrelli has consistently maintained a national reputation with participation in the American Nuclear Society –
- | | |
|---|-------|
| Bylaws Committee | 2026– |
| National Program Screening Subcommittee | 2022– |
| Fuel Cycle & Waste Management Division | 2015– |
| Student Sections Committee | 2015– |
- (2) **Local leadership:** Prof. Borrelli is active locally in many outreach activities as part of the Idaho Section of the American Nuclear Society –
- | | |
|--------------------|-----------|
| Treasurer | 2022– |
| Board of Directors | 2020;2018 |
| Community Service | 2015– |
- (3) **University leadership:** Prof Borrelli has an active service record at the University of Idaho –
- | | |
|--|---------|
| Faculty Senate – College of Engineering | 2024–27 |
| Faculty Appeals Hearing Board | 2026–29 |
| Research Misconduct | 2026–29 |
| University Faculty Compensation | 2025–28 |
| Faculty Affairs Committee – Chair | 2025–26 |
| Affiliate Faculty – Electrical & Computer Engineering | |
| Faculty Advisor – American Nuclear Society Student Section | 2015– |
- (4) **Education:** Prof. Borrelli has created several original courses for Nuclear Engineering & Industrial Management and maintains professional certificates –
- NE529: Risk Assessment
 - NE535: Nuclear Criticality Safety I & II
 - NE585: Nuclear Fuel Cycle Analysis
 - NE587: Nuclear Power Plant Decommissioning
 - Nuclear Technology Management Certificate
 - Nuclear Decommissioning & Used Fuel Management Certificate
 - Nuclear Criticality Safety Certificate
- (5) **Other notable scholarly activity:** Prof. Borrelli is an Editor for a special issue of *Nuclear Technology* for ‘Participatory Decision-making for the Nuclear Fuel Cycle.’
